Thank You To Our Leadership Team

The PPDM Association would like to thank the Midland Leadership Team for all their invaluable efforts in making the 2021 Midland Petroleum Data Mini-Workshop a success. Throughout the year, these individuals help organize and enhance all our Midland and Permian Basin events, and we are truly fortunate to work with them to build our community.

- Hilda Espinoza (Chair)
- Mark Edgar (Secretary)

Sponsor Spotlight - Stonebridge Consulting (Workshop Sponsor)

Stonebridge Consulting exclusively serves the digital transformation needs of the energy industry, with specialized expertise in oil and gas. Our deeply experienced staff, project IP, solution accelerators, and innovative software tools enable us to create breakthrough business value across the project lifecycle, reducing costs by as much as 50%.

As an example, Stonebridge's revolutionary EnerHub App Suite offers a simple, unified, cloud-based approach to Data Management for oil and gas. The suite allows users to connect to any on-prem or cloud-based data source; validate, master, and curate data; plus generate powerful insights and data-driven storyboards. Using EnerHub, clients convert data into a competitive asset while saving time and money managing it.

Whether your oil and gas firm is looking for strategic guidance, custom solution development, implementation, and/or support, Stonebridge will help you achieve measurable improvements in operational efficiency, accelerate project timelines, and minimize cost.

With offices across the United States and Australia, it's easy to connect with Stonebridge. Get to know us at www.sbconsulting.com. Learn more about our product innovations at www.sbconsulting.com/solutions.
