Important Information

The deadline for **Sponsors is July 22, 2021**. The earlier a company agrees to sponsor, the more exposure it will receive in advertising.

Why Sponsor the Perth Energy Data Workshop?

We wanted to highlight a few things to consider with sponsoring the Perth Workshop:

- ✓ Events are led by Regional Leadership Teams making the **agendas resonate with each community**.
- ✓ A variety of benefits are available at each level of sponsorship letting **you pick the options** that help you achieve your goals instead of a predesigned kit.
- ✓ PPDM Association events are designed to cover costs, not make a profit. We keep our prices as low as possible to benefit you and our attendees.
- ✓ Awareness of your brand through the event will reach our 1,000+ Asia Pacific **email subscribers** and 9,000 global **social media** followers.
- ✓ Supporting the event benefits not only your organization but the entire data management community.
- ✓ The Workshop is attended by individuals from **operating companies**, consultants, vendors, and more including government agencies and regulators.
- ✓ Most attendees come from the 'individual' level in their organization but there's also a substantial attendance by their **managers and higher up** in the organization. PPDM Association events interest everyone from analysts to CEOs.
- ✓ Previous years have seen more than 125 attendees at this event, though with the nature of events this year we are anticipating a more regionally centered event with attendance likely closer to 70 or 80. This **event is our biggest in Asia Pacific**.
